

# Help keep your vision healthy and save on vision care.

As a Golden West member, you have access to great savings. This includes exams, eyeglasses and accessories through EyeMed Vision Care's Advantage Vision Discount Program. You just need to show your member ID card at one of our participating providers.

EyeMed's nationwide network includes both private practice and leading optical retailers – LensCrafters®, Sears Optical<sup>SM</sup>, Target Optical® and JCPenney® Optical. Retailers offer ease because they are often open evening and weekends. And eyewear can be delivered quickly in about an hour at some locations.
